

RESUME

NAVEEN KUMAR SARILLA

✉ naveenksarilla@gmail.com | ☎ +91-7382591233 | 📍 Hyderabad, India

Professional Summary

Full Stack Web Developer with 4 years of experience in building scalable, user-centric web applications using React.js, Redux, Node.js, and SQL. Skilled in designing reusable components, integrating RESTful APIs, and managing complex application states. Proficient in database design, performance optimization, and modern UI/UX practices. Committed to delivering high-performance

Technical Skills

Languages: JavaScript

Front-End: ReactJS, Redux, Material UI, Bootstrap

Back-End: Node.js, Express.js

Database: MySQL, SQL

Tools & Platforms: Git, GitHub, GitLab, NPM, Figma, Canva, Inkscape

Other: MS Office, AI Tools (e.g., ChatGPT)

Professional Experience :

Software Developer

M/s Micronsure Private Limited, Hyderabad

Feb 2023 – Present

- Developed dynamic, responsive web applications using React.js and Redux.
- Built reusable and modular components for scalability and maintainability.
- Integrated RESTful APIs to fetch and display real-time data.
- Managed application state using Redux, Context API, and React Hooks.
- Enhanced performance using lazy loading, code splitting, and memoization.
- Ensured cross-browser and mobile responsiveness using Material UI and Bootstrap.
- Used Git for version control and collaborated via GitHub/GitLab.
- Collaborated with designers using Figma and Canva to convert mockups into functional interfaces.
- Designed and optimized MySQL databases, wrote complex queries, and improved performance through indexing and normalization.
- Developed backend services with Node.js and Express.js, using asynchronous programming for performance.

Software Developer

M/s eGradTutor Private Limited, Hyderabad

Sep 2020 – Jan 2023

- Designed and developed an education-based web application from scratch using **ReactJS**, **Node.js**, **MySQL**, and **Express.js**.
- Created dynamic dashboards and interactive charts for both teachers and students to monitor progress, performance, and quiz results.
- Built responsive UI/UX layouts using **Material UI**, ensuring seamless user experience across devices.
- Implemented routing, page navigation, and role-based access control for different user types (teachers and students).
- Developed and consumed RESTful APIs for real-time data interaction between frontend and backend.
- Managed complex application states using **Redux** for smooth and efficient UI rendering.
- Integrated quiz modules and performance analytics to support learning and assessment functionalities.
- Collaborated closely with designers to convert wireframes into functional interfaces, ensuring both usability and accessibility.
- Ensured cross-browser compatibility and conducted post-deployment bug fixes and performance optimization.

Education:

- **MBA (Finance & Marketing)** – S.K.B.R PG College, Amalapuram (2019)
- **B.Com (Computers)** – Government Degree College, Razole (2017)
- **Intermediate (Computer Science)** – State Board of Intermediate Education (2014)

Languages Known:

- Telugu (Native)
- English (Professional Proficiency)

Hobbies:

- Playing games
- Watching TV
- Solving puzzles

Declaration:

I hereby declare that the above information is true to the best of my knowledge. I am confident that I will deliver my best if given an opportunity in your esteemed organization.
