Phone: 7382591233

Summary:

Full Stack Developer | React.js | Node.js | Redux | SQL | JS | Material UI | Bootstrap

Experienced Full Stack Developer with a background in **BMS operations, data management, and workflow optimization**. Proficient in **React.js, Redux, Node.js, JavaScript, and SQL**, specializing in building **scalable and high-performance web applications**. Strong problem-solving skills with expertise in **backend development, database optimization, and API integrations**. and Passionate about **developing efficient solutions and enhancing user experiences** through seamless front-end and back-end integration.

Technical Skills

- **Programming Languages:** JavaScript
- **Front-End:** ReactJS, Redux, Material UI, Bootstrap
- **Back-End:** NodeJS, ExpressJS
- **Databases:** MySQL, SQL
- **Tools:** Git, NPM, Figma, Canva, Inkscape
- **Other Skills:** MS Office Suite, AI Tools (e.g., ChatGPT)

Professional Experience

Product Onboarding Manager - Frontend Developer (ReactJS)

M/s Micronsure Private Limited, Hyderabad September 2024 – Present

Product Onboarding Manager

- **Document Verification & Master Policy Issuance:** Managed the verification process for all necessary documents to ensure smooth and accurate issuance of master policies, adhering to company standards and compliance requirements.
- **Cross-Functional Collaboration:** Coordinated with internal sales teams and external insurance companies to streamline onboarding processes, ensuring timely policy issuance and minimizing delays.
- **Data Accuracy & Reporting:** Maintained accurate records of client documentation and onboarding status, generating regular reports for management and ensuring all data was up-to-date and complete.

Frontend Developer

- **Developed dynamic and responsive web applications** using **ReactJS**, delivering seamless user experiences and interactive UI components across multiple devices.
- **Managed complex state with Redux:** Designed and maintained scalable state management solutions using **Redux** and **Redux Toolkit**, centralizing state for better scalability and reducing prop drilling across components.
- **Led CI/CD pipeline implementation** for ReactJS applications using **GitHub Actions**, streamlining the build, test, and deployment processes for efficient application delivery.
- **Version Control and Collaboration:** Managed source code using **Git** and **GitHub**, ensuring smooth collaboration and enforcing Git branching strategies (feature branches, pull requests, code reviews) for clean and efficient development workflows.

M/s eGradTutor Private Limited, Hyderabad *February 2023 –June 2024*

- **Full-Stack Development:** Designed, developed, deployed, and maintained dynamic projects, enhancing business workflows and user experiences.
- **Front-End:** Built responsive user interfaces using ReactJS and Material UI, ensuring cross-browser compatibility and mobile responsiveness.
- **State Management:** Utilized Redux for efficient data handling and seamless user experiences.
- **Back-End:** Developed and optimized server-side applications with NodeJS and ExpressJS for improved scalability and performance.
- **API Integration:** Designed and consumed RESTful APIs for smooth data communication between the front-end and back-end systems.
- **Performance Optimization:** Conducted thorough performance tuning, achieving faster load times and improved application responsiveness.
- **Deployment & Maintenance:** Deployed applications to production environments, ensuring availability and implementing bug fixes and updates.

BMS Executive

M/s Tata Consultancy Services., Hyderabad (Contract) *August 2022 –January 2023*

- Managed and analyzed raw data for attendance and operational reports.
- Designed and optimized relational database schemas to streamline data storage and retrieval.
- Collaborated with cross-department teams to deliver accurate and timely data reports.
- Created dynamic dashboards and visualizations for effective data representation.

Education

- **Master of Business Administration (MBA)** – Finance & Marketing, S.K.B.R PG College, Amalapuram (2019)
- **Bachelor of Commerce (B.Com)** – Computers, Government Degree College, Razole (2017)
- **Computer Science Engineering** State Board of Intermediate Education (2014). .
